**Counting to 100:** We have a poster with 100 spaces that we will create together throughout the month. Each child is responsible for contributing 5 small (3"x3") items to fill 5 spaces on the poster. During Show & Share, the children will share why they chose those items. We will attach the items to the poster and display it in the hall for everyone to enjoy. **The items will NOT be returned.** Suggestions include toothpicks, paper clips, pictures, or pebbles. Please do not send in any food items.
